"Increasing Your Business's Sales, Turnover, And Adding Value To Your Home."

Hi! It's Kuldeep here. I've been fielding some fantastic questions from pool building & fencing services, developers & builders, landscapers, homeowners and others about our frameless glass fencing, **which has been awesome!**

One of the best questions asked was:

"Why should I buy frameless glass fencing from you and not your competitors?"

Okay, an awesome question - so let's start with this...

- **Australian Standard Guaranteed** – Every piece of glass fencing we sell in bulk wholesale and retail to homeowners is guaranteed to meet Australian standards AS/NZS 2208-1996.
- **Damage-Free Delivery Guarantee** – Delivery can be a time-consuming, expensive and frustrating nightmare, but not with Factory Direct Glass Pool Fencing's **"Damage-FREE" Guarantee**. In the unlikely event your order is damaged on delivery, contact us and we'll take care of everything and replace it for you.
- **Personal Service & Support From Beginning To End** – While Factory Direct Glass Pool Fencing has some of the best systems and logistics in place, supplying personal service that's second to none to you and all our customers and your peace of mind are key to us.
- **Be In Control Of Your Own Stock – Adds \$10,000.00, \$20,000.00 Or More To Businesses' Sales And Homes' Values** – Perhaps you're a pool builder, fencing services or similar service or business who uses glass balustrading and glass panel fencing in bulk and you want to increase your business's turnover and market share?

Factory Direct Glass Pool Fencing's wholesale pricing, experience and premium service will help you increase profits, reduce purchasing costs and more.

On top of all this... frameless glass fencing is low maintenance and safer for small children, so for more information please contact us before you miss out!

*All the best,
Kuldeep Singh*

7 Benefits & Solutions Of Using Factory Direct Glass Pool Fencing.

When first-time customers in retail, commercial or trade service businesses or homeowners ask us about the benefits of using our frameless and semi frameless glass fencing and balustrading compared to other glass panel fencing on the Internet, the reasons and differences are many.

**Below are just some of the benefits of using
Factory Direct Glass Pool Fencing.**

1. Australian Standard Guaranteed

Every piece of glass fencing we sell in bulk wholesale and retail to homeowners is guaranteed to meet Australian standards AS/NZS 2208-1996. So you have peace of mind your glass fencing panels are legal and to Australian standards.

2. Adds \$10,000.00, \$20,000.00 Or More To Businesses' Sales And Homes' Values

Perhaps you're a pool builder, fencing services or similar service or business who uses glass balustrading and glass panel fencing in bulk and you want to increase your business's turnover and market share?

Factory Direct Glass Pool Fencing's wholesale pricing, experience and premium service will help you increase profits, reduce purchasing costs and more.

Homeowners use our glass pool fencing to revamp their pool, decking or entertainment areas and add thousands of dollars to their home and lifestyle almost overnight!

3. Damage-Free Delivery Guarantee

Have you ever bought glass fencing or balustrading or something else online and tried to get it replaced?

Continued on next page...

For further information and exact pricing on our Glass Pool Fencing, please contact us on **1300 707 666 or alternatively email us at office@factorydirectglasspoolfencing.com.au**

It can be a time-consuming, expensive and frustrating nightmare, but not with Factory Direct Glass Pool Fencing's **"Damage-FREE" Guarantee**. In the unlikely event your order is damaged on delivery, contact us and we'll take care of everything and replace it for you.

4. Safer For Small Children

Maybe you're after an effective safety barrier to keep the kids from getting into the pool on their own? With our glass fencing you'll be doing exactly that because our pool fencing does not have any footholds for kids to use to climb!

5. Low Maintenance

Factory Direct Glass Pool Fencing is also easy to maintain and keep looking good quickly and easily. Thanks to its high quality, a once or twice a year wash it down with some warm soapy water and you're done!

6. Personal Service & Support From Beginning To End

While we may be one of Australia's largest glass fencing and balustrading online wholesaler and retailer services, don't think for one minute we're a big faceless company!

While Factory Direct Glass Pool Fencing has some of the best systems and logistics in place, supplying personal service that's second to none to you and all our customers and your peace of mind are key to us.

Online you'll find many services that do not even want you to contact them, and some don't even have a phone number.

At Factory Direct Glass Pool Fencing we encourage you to call us any day, any time to ask us anything you like - whether you're a customer or not!

7. FREE Information, Product Guide

Don't you hate it when you have to poke and prod for information from a service or company you're thinking of spending your hard-earned money with?

That's why Factory Direct Glass Pool Fencing has a free product guide. This way you can find out more about us, some of the products we carry, the problems we solve and the people we help, which pool fencing installation businesses, developers and builders and others find extremely useful.

On top of all this Factory Direct Glass Pool Fencing also has almost every glass balustrading and pool-fencing accessory you could think of or ever want or need.

And if we do not have what you're looking for, we can find it for you in half the time you can for a great wholesale or retail price using our worldwide network of preferred glass fencing and balustrading suppliers.
